

Multimedia Presentation: Grades 9-12

Teacher Name: Mrs. J. Martin

Student Name: _____ **Reviewer Name:** _____

Date: _____

Project: Marketing Extra Innings

CATEGORY

RESPONSIBILITIES

Appearance

- Titles and headings are easy to distinguish from other text.
- The words on my slides are easy to read.
- The graphics are easy to see.
- The slides appear to go together; they make a cohesive whole.
- Sounds and music are easy to hear.
- Transitions are not distracting or boring.
- The slides look neat and use white space well.

Media Use

- We used original art, animations or photographs.
- We used music or sound effects made by others.
- We cited all resources I include that were made by others.
- My media helps the user understand my topic better.
- My media makes my presentation more interesting.

Navigation

- Users can easily find their way through my presentation.
- Users can easily backtrack or repeat parts of the presentation.
- Navigation tools work.

Organization

- We used an outline or storyboard to organize my ideas, information and thoughts.
- We organized my ideas in a meaningful and logical way.
- We clearly answered questions people might have about the topic.
- We included details that made my presentation more complete and/or more interesting.
- We included a conclusion.

Preparation

- We made a timeline of when key components needed to be done.
- We made an outline or storyboard to organize my thoughts and ideas.
- We brainstormed questions that needed to be answered about the topic.
- We brainstormed details that would help support my ideas.
- We used feedback from others to refine my topic and questions.

Resources

- We used a variety of resources when collecting information.
- We used material in accordance with copyright.
- We used resources ethically and appropriately.
- We cited my resources.
